# *Rencontres Musicales*

INTERNATIONAL CHAMBER MUSIC FESTIVAL  
CONEGLIANO | 28 APRIL - 3 MAY 2026

The **Rencontres Musicales** festival was conceived by Maestro Paolo Tagliamento, an internationally renowned violinist, with the aim of creating a high-level artistic and educational music workshop in Conegliano. The first edition will feature the participation of great masters and young international talents.

Listening to excellent music in unique places rich in history,

such as those offered by our city, creates emotions that linger over time, making our lives more beautiful and unique. This first edition, which has the support of the Veneto Region, the Province of Treviso and the city of Conegliano, represents the beginning of a journey that aims to establish **Rencontres Musicales** as a landmark event on the international music scene.
